SUBJECT: Globe Life Insurance Company

Much confusion has resulted from the transfer of cancer premiums from Globe Life Insurance Company (code 68) to American Family Life Assurance Company (code 86) as explained in payroll bulletin 20-72.

Effective January 1, 1973 Globe Life Insurance Company (code 68) transferred all cancer policies to American Family Life Assurance Company (code 86).

Each payroll office should verify that these transfers have been accurately completed. The payroll office should also verify that all deductions made for insurance deduction code 68 are entered as Globe Life Insurance Company on the summary page of the payroll voucher and all deductions made for insurance deduction code 86 are entered as American Family Life Assurance Company.

It should also be noted that Globe Life Insurance Company provides a guaranteed permanent life program and no longer provides a cancer policy.

Very truly yours,

George W. Lindberg
